

In the Cloud or On-Premise

Progressive organizations demand solutions that are flexible enough to accommodate dynamically changing business needs.

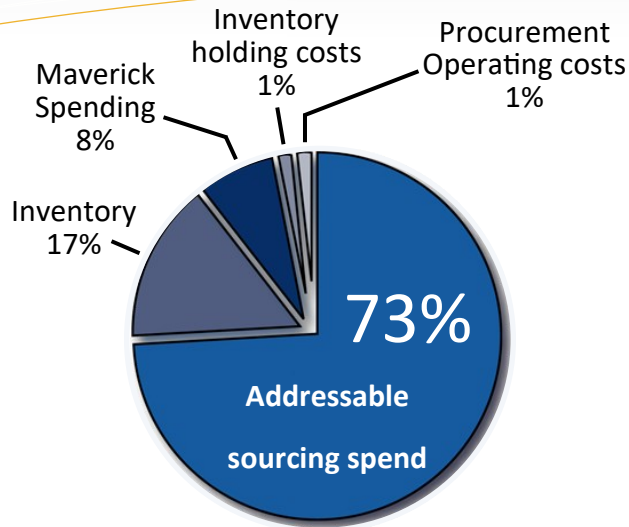

WorldERP™ helps organizations increase efficiency, improve visibility and set the foundation for good governance. Our ProRFx® solutions enable organizations to; eliminate IT costs, optimize accounting efficiency, streamline sourcing management and award processes, eliminate manually-intensive processes, automate time consuming reporting, and improve employee productivity.

INTEGRATED COLLABORATION

Collaborative and unified solutions for centric process improvement benefits from top to bottom across the entire organization.

Aligns your systems of engagement with your systems of record, enabling you to instantly leverage the latest cloud, social, mobile, vendor and customer facing technologies.

Deeper and more broad visibility yields one-stop resolutions in a proven cloud platform makes it easy to maintain and extend.

Areas of Potential Purchasing Savings

73% (\$3 out of \$4) of potential purchasing savings are in sourcing.

Exploring more cost effective opportunities.

WorldERP's™ ProRFx® is an eSourcing (Online Bidding) solution that can easily be configured to do more than just award bids. From order creation to kicking off contract life-cycle management, ProRFx® can help you transition to the post award processes seamlessly.

SIMPLE AND EASY TO USE

ProRFx® provides your users, vendors, and contractors with intuitive, wizard driven interfaces that provides greater user satisfaction resulting in higher end user adoption **without the high cost of training employees.**

CONFIGURABLE TO MEET YOUR NEEDS

Customizable templates for solicitations, emails, SMS, and Social Media notifications help ensure that ProRFx® is custom tailored to your exacting specifications and needs.

THE BEST BIDDER PARTICIPATION

In order to get the absolute best bidder participation and value responses it's not enough to advertise, you must engage.

ProRFx® will help you leverage as many avenues of advertising as possible with just the click of a button, and automatically engage bidders using SMS messaging, Social Media, Newspapers, Email, and more!

LESS WORK, MORE PRODUCTIVITY
