2. Work shall be coordinated with the City Rehabilitation Specialist, Chris Lewis, 629-8333 or 425-7686, clewis@ocalafl.gov.

CONTRACTOR RESPONSIBILITIES

1. The Contractor shall complete all work performed under this contract in accordance with the policies and procedures of the City of Ocala and all applicable State of Florida and Federal laws, policies, procedures, codes, and guidelines.
2. The Contractor is responsible for purchasing the permits and ensuring that the hired subcontractors purchase their required permits.
3. Each rehabilitation job shall have the required permits (i.e., building permit, plumbing permit, electrical permit, and H.A.R.V. permit).
 - A. The contractor is responsible for purchasing the permits and ensuring that his/her sub-contractors purchase their required permits.
 - B. All electrical, plumbing, mechanical, and structural inspections must be made by the City of Ocala Growth Management Department.
 - i. The contractor is required to notify the Growth Management Department, (352) 629-8421 for each of the required inspections.
 - ii. When calling for an inspection, you will need the address, owner's name, contractor (on plumbing and electrical inspections, the plumber or electrician is the contractor), and the permit number.
 - iii. The Rehabilitation Specialist shall sign each request for payment form as approved.
 - iv. When an inspection is called into the Growth Management Department before 9:00 AM, the inspections will be made by noon. All inspections called before 2:00 PM will be made by 5:00 PM.
 - v. The City of Ocala Growth Management Department makes "same-day" inspections.
4. The contractor must have sufficient equipment to complete work. The City will not pay for rental of additional equipment, purchases of equipment, etc.
5. Construction shall be in compliance with all requirements and instructions of applicable manufacturers.

6. Work shall be completed immediately.
7. If the Contractor is advised to leave a property by the property owner or their representative, the Contractor shall leave at once without altercation. Contractor shall then contact the City Project Manager within 24 hours and advise of the reason for not completing the assigned project.
8. Contractor is responsible for all wages, taxes, and workers' compensation of all employees.
9. Contractor is responsible for any damages, including but not limited to buildings, curbing, pavement, landscaping, or irrigation systems, caused by their activity. Should any public or private property be damaged or destroyed, the Contractor, at their expense, shall repair or make restoration as acceptable to the City of destroyed or damaged property no later than one (1) month from the date damage occurred.

CONSTRUCTION WORK AREAS, SITE HOUSEKEEPING, AND CLEANUP

1. Provide on-site sanitary facilities as required by Governing agencies.
2. **Waste/Debris:** The Contractor shall keep the premises free at all times from the accumulation of waste materials and rubbish caused by operations and employees. Contractor will provide approved containers for the collection and disposal of waste materials, debris, and rubbish. Contractor shall legally dispose of debris. At least once weekly, dispose of such waste materials, debris, and rubbish off-site.
3. Contractor to supply an appropriately sized construction skip for demolition/construction debris.
4. **Cleanup:** Periodic cleanup to avoid hazards or interference with operations at the site, and to leave the site in a reasonable, neat condition. The work site will be completely cleaned after each day of work.
5. **Final Cleaning:** Upon completion of work, clean the entire work area/project site as applicable.
 - A. Leave the work and adjacent areas affected in a cleaned condition satisfactory to the City Project Manager.
 - B. The Contractor shall clean and remove from the premises all surplus and discarded materials, rubbish, and temporary structures, and shall restore acceptably all property, both public and private, which has been damaged during the prosecution of the work and shall have the work in a neat and presentable condition. *Note: Any debris shall be removed from the premises. New construction debris, trash, etc., shall not be left or buried on site.*
 - C. Broom clean exterior paved driveways and hose clean sidewalks and concrete exposed surfaces if impacted by work or included in the work area.

2. Contractor must perform a minimum of **30%** of the work with their forces.

SAFETY

1. The Contractor is solely responsible for ensuring safety during demolition and construction, and for conformance to all applicable OSHA standards; and local, state, and national codes concerning safety provisions for their employees, sub-contractors, all building and site occupants, staff, public, and all persons in or around the work area.
2. Job site visits by City staff do not constitute approval, awareness, or liability for any hazardous condition.
3. Contractor shall be responsible for securing their equipment, materials, clothing, and other property.

4. Prior to completion, storage and adequate protection of all material and equipment will be the Contractor's responsibility.
5. The contractor will exercise every necessary precaution for the safety of the property and the protection of any and all persons and/or property located adjacent to or making passage through said property. All claims and repairs are to be made by the Contractor in a timely manner (48 hours).
6. In no event shall the City be responsible for any damages to any of the Contractor's equipment, materials, property, or clothing lost, damaged, destroyed, or stolen.

DEFAULT

1. In the event of default by the awarded vendor, the City reserves the right to utilize the next rated bidder meeting specifications as the new vendor.
2. If this occurs, the next rated bidder meeting specifications shall be required to provide the items at the prices as contained on their proposal for this specification.

WARRANTY

1. Contractor will provide a twelve (12) month material and labor warranty from the date of completion, against operational failure caused by defective material or workmanship which occurs during normal use.
2. All manufacturer warranty documentation and owner/operator manuals must be provided before the final payment request.
