EXPERIENCE AND LICENSING REQUIREMENTS

1. **Licensing Requirement:** Bidder must possess a valid General Contractor's License in the State of Florida to submit a bid for this project.
2. **Experience Requirement:** Bidder must possess 5 years' experience in waterproofing and foundation repair.

INSURANCE REQUIREMENTS

1. **Commercial General Liability:** with limits of \$1,000,000 per occurrence/\$2,000,000 aggregate.
2. **Commercial Automotive Liability:** a combined limit of not less than \$1,000,000.
3. **Workers' Compensation and Employer's Liability:** per Florida statutory requirements.

PERMIT REQUIREMENTS

1. **Permits Required:** Contractor will be responsible for obtaining the following City of Ocala permits at no additional cost to the city:
 - Building
 - Any other permits necessary to complete the project.
2. **Construction Permit Applications:** For construction permits and related documents, please visit: <https://www.ocalafl.org/government/city-departments-a-h/growth-management/building/construction-permits>

CONSTRUCTION TIMEFRAME

1. **Construction Time:** The contract time to receive all required permitting is 21 calendar days. The Contract time to Final Completion of the project is 10 calendar days after all permits have been issued. The Contractor agrees, as a condition for submitting a bid, that this project will be completed in the time agreed upon between the City and the Contractor. The Contractor agrees to commence work on the date specified in a written "Notice to Proceed" by the city. Such "Notice to Proceed" will be issued at the pre-construction conference. The Contractor must be able to mobilize and begin construction no later than 10 calendar days after notification and complete the project by the time limit specified in the "Notice to Proceed."

LIQUIDATED DAMAGES

1. The Contractor shall pay the City **\$1500.00** for each calendar day that expires after the time specified for completion, until work is completed.

2. Nothing in this section is intended to limit the right to obtain injunctive relief or any and all relief as may be appropriate. Permission allowing the Contractor to continue and finish any part of the work after the time fixed for its completion or after the date to which the time for completion may have been extended shall in no way operate as a waiver on the part of the City of any of its rights under this Agreement.

ANTICIPATED TASKS, DELIVERABLES AND HOURS

1. **Anticipated Tasks:** The Contractor may be required to perform the following types of services for the City of Ocala. This list is not an attempt to exclusively define those specific activities the Contractor will perform.
 - Remove vegetation and irrigation system as needed from the work area.
 - Excavate the designated area to the necessary depth to ensure proper waterproofing of the west foundation wall
 - The work area must be marked, secured, and fenced to ensure public safety.
 - Prepare all surfaces and repair any foundation/wall cracks using industry standard practices and materials.
 - Use a primer, waterproofing sealer, and membrane mesh designed to withstand water pressure up to 1.5 bar (21 psi) for effective protection against water intrusion.
 - Waterproofing materials and application process must meet or exceed ASTM D5385 standard for hydrostatic resistance of waterproofing membranes.
 - Install an external drain system to collect and channel groundwater away from the west foundation wall.
 - Fill all the excavated areas and grade to direct water away from the west foundation wall.
2. **Deliverables:** The Contractor shall provide weekly reports of all Task Work Orders in progress. Deliverables shall be accepted by the City of Ocala Project Manager before payment for such work.
3. **Working Hours:** The normal/standard working hours for this project are 6:00 AM – 6:00 PM Monday through Friday, excluding holidays. The Contractor shall provide (forty-eight) 48-hour advance notice to the City Project Manager for work outside of normal shift hours. The city may decline the request.
4. **Emergency Work Hours:** The Contractor must have available staff on site and prepared to begin work within two (2) hours notification of any work deemed "Emergency" (this includes all storm-related emergencies). If the work is not completed or staff are not on site by contract timelines, the contract will be considered in default.
 - A. Upon declaration of default, the City will have full power to appropriate or use any or all suitable and acceptable materials and equipment on the site and may enter into an agreement with others to complete the work under the contract or may use other methods to complete the work in an acceptable manner. The City will charge all costs that the City incurs because of the Contractor's default, including the costs of completing the work under the contract, against the Contractor.
 - B. If, after default notice by the City, and prior to any action by the City to otherwise complete the work under the contract, the Contractor establishes their intent to prosecute the work in accordance with the City's requirements, then the City may allow the Contractor to resume the work, in which

case the City will deduct from any monies due or that may become due under the contract, any costs to the City incurred by the delay, or from any reason attributable to the delay.

PROJECT SPECIFICATIONS

This project will require the Contractor to follow the following specifications:

1. All work must be in compliance with the Florida Building Code, latest edition. For information please visit the following link: <https://floridabuilding.org/c/default.aspx>
