WELCOME TO THE BUS

THE BUS is the campus and community transit service offered at Oklahoma State University. **THE BUS** provides fixed route transit services throughout Stillwater and the OSU-Stillwater campus using six community routes and three on campus routes as well as three dedicated paratransit buses.

On Campus

The **BLACK** Routes (10 minute frequency) and **ORANGE** Routes (15 minute frequency) provide convenient mobility around campus during the full service schedule, Monday through Friday 6:20 a.m. to 6:00 p.m. The **GOLD NIGHT** Route (20 minute frequency) also provides service evenings during the full service schedule from 5:45 p.m. to 10:35 p.m.

Off Campus

Six Routes service the off campus area (**GRAY**, **BLUE**, **SCARLET**, **PURPLE**, **BROWN**, and **WHITE**) during the full service schedule between 6:20 a.m. and 7:15 p.m. (check individual routes for specific service times and frequency). In addition, the **GREEN NIGHT** Route (45 minute frequency) provides service in the evenings during the full service schedule from 7:00 p.m. to 10:30 p.m.

Reduced Services

During these times the only route available **ON CAMPUS** is **GOLD DAY** Route (20 minute frequency) which is offered from 6:25 a.m. to 7:15 p.m. The **OFF CAMPUS** routes change as follows: The **GRAY REDUCED** Route (60 minute frequency) leaves the terminus once an hour at 20 minutes after the hour instead of twice an hour and the **GREEN** Route is not offered. The other **OFF CAMPUS** day routes are unchanged.

RIDE LIKE A PRO

- 1. Flag downs** are available for OFF CAMPUS Routes, as long as they are in a safe area for the bus to be boarded. Stand far enough away so that THE BUS can completely clear the intersection, in a safe area, and wave to help indicate you want to ride. These may be denied if it is unsafe to stop or board, (Street detours, hazards such as slippery conditions, high traffic areas, medians, and construction that would prevent the passenger from boarding safely.) In these cases, the driver may direct passengers to the nearest posted stop for safe boarding. **DUE TO HIGH TRAFFIC VOLUMES, NO FLAG DOWNS ARE AVAILABLE ON PERKINS ROAD. Have payment ready when boarding the bus. Exact change is required.**
- 2. Be prepared:** Know where you are traveling and plan your trip in advance in order to catch the bus as well as any connecting bus in plenty of time. Ask the driver or contact the office at (405) 744-2832 for assistance.
- 3. PLEASE ARRIVE EARLY** to bus stops, 5-10 minutes prior to the estimated bus departure time because these times are approximate.
- 4. ON CAMPUS** Routes will only stop at **marked bus stops**.
- 5. Stops:** The marquee on each bus indicates the route by color. Bus stops are identified by “**THE BUS** Stops Here” signs and shelters. In addition, **THE BUS** will also pick up and drop off passengers at the far side of any OFF CAMPUS street intersection.
- 6. Request Stops:** The bus does not automatically stop at every stop. The cord on the bus should be pulled to notify the driver in advance that you want off at the next stop.
- 7. Keep Aisle Clear:** Packages, groceries, and all loose items must remain in the passengers’ control at all times and should not be in the way of other passengers. Strollers, walking aids, and empty carts must be collapsed and out of the aisle. When traveling with a stroller, children must be removed, the stroller folded up and placed under the seat.
- 8. Transfers** can be requested at the time fare is paid for the purpose of completing a one-way trip. **They will only be issued and accepted at the Student Union or the Multi-Modal Transfer Terminal (MMTT).** Transfers are valid for use within 2 hours of receipt on any route except the route from which it was issued (if you receive a transfer on gray it **cannot** be used to return on gray.)
- 9. Communicate:** Let the driver know if you are intending to catch another bus so they are able to attempt to coordinate that connection. *While we try to accommodate these transfers, delays due to unforeseen circumstances may prevent these connections availability.
- 10. Plan to safely board the bus:** With safety in mind, once a route bus has pulled away from its parking spot at the MMTT/ Terminal, drivers are not allowed to stop and board passengers in the oval drive. The passengers will be required to wait for the next bus to arrive.
- 11. Be Aware:** Use caution when boarding the bus. Be sure the driver is able to see you. Remain seated until the bus comes to a stop, exit using the rear doors, and do not cross in front of the bus.
