

# Transit Guide

City of Ocala, Florida

Effective January 2025

# Welcome to SunTran

## WELCOME ABOARD!

Riding a SunTran bus is easy. This SunTran Transit Guide provides you all the information you need to get started.

## HERE'S HOW TO RIDE:

Once you have your trip planned, head to your nearest bus stop location. If you have any questions or problems locating the closest bus stop, you can download our app **MyStop (Scan the QR code printed on this guide or on the bus stop sign)** to your mobile device for bus locations, times, and stops or contact the SunTran office at 352-401-6999. **Arrive about five minutes before the bus is scheduled to arrive, and please stand or sit in a safe location.** If you are near an intersection, the bus always loads past an intersection. Do not attempt to board the bus while it is stopped at an intersection.

Have your fare ready, step on, pay your fare, and relax in the temperature-controlled comfort of a SunTran bus. Feel free to check with your bus operator when you get on if you are unsure about your route or any connections. When your stop is approaching, press the signal strip to let the operator know that this is where you want to get off. After disembarking, please allow the bus to pull away before crossing the street. Always use the pedestrian crossings and follow all traffic safety rules. Do not attempt to cross the pedestrian crosswalk in front of the bus. Now, sit back and enjoy the ride.

***Our goal is to provide you with friendly and efficient service.  
Thank you for riding with SunTran!***
