3.5. CONTRACT AWARD.

- a. City anticipates award to the firm who submits a Proposal judged by the Selection Committee to be the most advantageous to the City.
- b. Proposer understands that by submitting a response to a solicitation does not constitute an agreement or a contract with the City.
- c. In the event of a default by the Awarded Consultant, City reserves the right to utilize the next highest ranked Proposer meeting specifications as the new Awarded Consultant. In the event of this occurrence, the next highest ranked Proposer meeting specifications shall be required to provide the goods or services at the prices as contained on their Proposal or bid for this specification.
- d. The contract that the City expects to award as a result of this Solicitation will be based upon the Solicitation documents, Consultant's final response to the Solicitation as accepted by the City, and the City of Ocala's General Terms and Conditions and any Special Terms and Conditions attached to the advertised Solicitation.

3.6. ADDITIONAL INFORMATION.

- (a) **Offer and Binding Authority.** Each Proposal timely received by City at the time advertised for the bid opening shall constitute an offer by the Proposer to sell the goods and/or perform the services in strict accordance with the terms and conditions set forth in the solicitation, all for the bid amount. The individual submitting the Proposal must, and shall be deemed to, have binding authority to submit contracts on behalf of the responding firm.
- (b) **Determination of Responsiveness and Responsibility.** After Proposal opening, but before any award is made, the City shall evaluate (as applicable) the solicitation process, the bid total, any supplements to the Proposal submittal forms, Proposer experience, any proposed subcontractors and/or equipment manufacturers, Proposer's past performance and references, and any other data deemed by the City to be relative to making a determination of Proposer's responsibility and qualifications to perform satisfactorily under the resulting contract.
- (c) **Mistakes.** Proposers are expected to examine the specifications, delivery schedule, bid prices, extensions, and all instruction pertaining to the solicitation. Failure to do so shall be at Proposer's risk and expense. All extensions of the unit prices shown, and the subsequent addition of extended amounts, shall be verified by City. In the event of a discrepancy between the sum of the extended amounts and the bid total, the unit price shall govern (if applicable). The City reserves the right to add to or delete any item from a bid or resulting award when deemed to be in the best interest of the City.
- (d) **Subcontractors and Equipment Manufacturers.** Proposer may be required to submit, in writing, the names and addresses (and other material information) for any proposed subcontractors or equipment manufacturers identified in the Proposal. City reserves the right to disapprove any proposed subcontractor or equipment manufacturers whose technical or financial ability, resources, or experience are deemed (in the City's sole discretion) to be inadequate.
- (e) **Samples.** Samples of items when required must be furnished free of expense to City and upon request, be returned to the Proposer at the Proposer's expense. Samples of selected items may be retained for comparison purposes.
- (f) **Right to Cancellation, Rejection, Disqualification, and Waiver.** City reserves the right to reject any bid where the prices appear to be unbalanced, and to reject any or all bids, or parts thereof, if it determines, in its sole discretion, that such rejection is in the best interest of the City. City reserves the right to cancel the bid in its entirety or waive any minor irregularity or technicality in bids received.
- (g) **Sole Proposer.** Where only a single responsible and responsive Proposal is received, City may, in its sole discretion, elect to conduct a price or cost analysis of the Proposal. Such Proposer shall cooperate with the City's analysis and provide such supplemental information as may be required. The determination whether to enter into an agreement with a sole Proposer

shall be solely within the City's discretion and shall not be conditioned upon the City's performance of a price or cost analysis.

- (h) **Shortlisting and Oral Presentations.** In general, City wishes to avoid the expense (to the City and to proposing firms) of unnecessary presentations. Therefore, City will make every reasonable effort to rank/select firms based on written submittals alone. If no single top-ranked firm can be clearly identified by review of the written submittals alone, the City may shortlist Proposals and require those Proposers to make oral presentations, participate in interviews, or answer questions. These presentations, interviews, and questions will provide Proposers with an opportunity to demonstrate their qualifications, approach to the project, and ability to furnish the required services. City reserves the right in all instances to conduct personal interviews or require presentations of any or all Proposers prior to selection. City shall not be liable for any costs incurred by Proposers in connection with personal interviews or presentations (i.e., travel, accommodations).
- (i) **City's Selection Committee.** City's selection committee may consist of representatives from the City of Ocala, City Council members, and/or the Mayor. City reserves the right to adjust the makeup of the selection committee. Evaluation criteria and selection schedules will be announced either within the solicitation documents or with the posting of a Public Notice.

3.7. CONTRACT TERMS AND CONDITIONS. Please review the City's General Terms and Conditions prior to submitting a response to this Solicitation and expect for them to be included in any award resulting from this Solicitation. By submitting a response, Proposer acknowledges its acceptance of the Solicitation specifications, the City of Ocala's General Terms and Conditions, and any Special Terms and Conditions attached hereto without modification unless expressly stated in the submitted offer. If Proposer takes exception to any provision, Proposer must state the reason for the exception and state the specific contract language it proposes to include in place of the provision and upload said exceptions as part of Proposer's response to this Solicitation.

3.8. RIGHT TO PROTEST. Any actual Proposer or offeror that has submitted a Proposal for a particular procurement and is aggrieved in connection with the solicitation or award of the contract must protest in writing in compliance with the City of Ocala's Procurement Policy found at www.bidocala.com.
