

Addendum # 1

Date: December 17, 2025

To: All bidders who attended the Mandatory Pre-Bid meeting on 12/16/2025

From: Caley Conard, Buyer

Solicitation Number: ITB# PWD/260259

Solicitation Title: Mast Arm Painting

SECTION 1. QUESTIONS AND ANSWERS

1.1 QUESTION: Who is responsible for the warranty of five (5) years, if the paint fades?

ANSWER: The contractor shall be responsible for the warranty covering both labor and materials used. In the event of paint fading within the five-year warranty period, the contractor is required to coordinate directly with the paint manufacturer to resolve the issue and reapply the affected paint as necessary

SECTION 2. SOLICITATION ADDITIONS, CLARIFICATIONS AND CORRECTIONS

- 1.1 Do not apply paint to traffic brackets that support signals or signs. However, paint may be applied to cables as needed.
- 1.2 Some intersections include pedestrian signals, while others do not. Contractors are strongly encouraged to visit each intersection in person to assess existing conditions and price their bids accordingly.
- 1.3 Primer should be grey in color.
- 1.4 Payment will be issued for each intersection after the contractor has completed all required work at that location and the intersection has been inspected and approved by the City.
- 1.5 Alternates products or systems for coatings will be reviewed and considered, subject to approval by the City. Please upload alternate product specifications with your bid in ProRFx.
